

SSF-WWF Net Zero Webinar on SBTi

10 January 2023, Online

In this joint online workshop from Swiss Sustainable Finance (SSF) and World Wildlife Fund (WWF) Switzerland, we hope to encourage members who have already committed to net-zero to share challenges and learnings and to motivate those who have yet to commit. The event will feature two banks who have already signed the SBTi-FI net-zero pledge and a representative from SBTi.

Programme

5 min	Introduction	Regula Hess , Senior Advisor Sustainable Finance, WWF
10 min	Introduction to SBTi	Gavin De Kock , Financial Institutions Engagement Manager, The Science Based Targets initiative (SBTi)
10 min	Case Study 1: Insights, successes and challenges	Andrew Howard , Global Head of Sustainable Investment, Member of the Group Management Committee, Schroders Investment Management
10 min	Case Study 2: Insights, successes and challenges	Robin Rouger , Sustainable Investment Analyst, Director, J. Safra Sarasin
20 min	Q&A	
5 min	Closing Remarks	Sabine Döbeli , CEO SSF

The webinar is for SSF members only, free of charge and will take place on Zoom.
