Programme: Sustainable Investing Platform Meeting

Date: Tuesday, 19 May 2026, 10:00-12:00 (followed by apéro)
Location: Glockenhof, Sihlstrasse 31, 8001 Zurich

Katja Brunner (SSF) and our two Investing Platform Leaders, Andreas Knörzer (Twelfe Capital) and Daniel Wild (J. Safra Sarasin) will guide through the Investing Platform Meeting. Asad Farid (J. Safra Sarasin) will talk about the importance of critical minerals in regard of the energy transformation. He will be followed by Romain Leroy-Castillo (SSF) who will elaborate the ethical dimension of artificial intelligence (AI). There will be a lot of room for interaction during the session and afterwards at the networking apéro.
