

Invitation to SSF Event

«Sustainable Finance – from Compliance to Opportunities»

Date and time: 19 November, 16:00 – 17:30h, followed by networking drinks

Location: EFG Auditorium, Palazzo Riva, Via Magatti 2, Lugano

Join us in Lugano for an engaging event organised by Swiss Sustainable Finance (SSF). At this event you will learn about key developments shaping the Swiss sustainable investment landscape.

We'll discuss the recent turnaround in sustainable investment trends by looking into the results of the latest market study, examine how evolving regulations are influencing financial strategies and discover how artificial intelligence is driving more effective and data-driven approaches to sustainable finance.

In a subsequent roundtable local finance experts will highlight how institutions are moving from compliance to opportunity in this fast-changing field.

Don't miss this chance to connect with thought leaders and gain fresh insights into the future of finance.
