

Native French speaker with excellent English

## Legal Expert in sustainable finance and corporate responsibility

Please send your CV and a cover letter **in English by January 4, 2020**, in which you briefly explain why you are interested in this position, to Olivier Jaeggi, ECOFACT's Managing Director: [recruiting@ecofact.com](mailto:recruiting@ecofact.com)

### About ECOFACT

ECOFACT provides the knowledge required to navigate ESG risks and opportunities. We work primarily for banks, insurers, institutional investors, and international standard-setters. We help clients to understand regulatory developments pertaining to sustainable finance and corporate responsibility, build ESG frameworks, and offer due diligence and risk management solutions. Founded in 1998 as a spin-off from a leading Swiss bank, ECOFACT is a fully independent firm based in Zurich: <https://ecofact.com>

### Candidate profile

You have:

- **a masters-level degree in law;**
- **relevant work experience in banking/financial law, ideally in regulatory change initiatives at an asset manager;**
- good knowledge of regulatory aspects related to financial institutions (including financial products and services) and EU law;
- a sound understanding of sustainable finance, corporate responsibility, and the business and human rights agenda;
- a valid Swiss work permit (or are an EU national); and
- excellent interpersonal, analytical, document drafting, and project management skills, as well as an easy-going personality and entrepreneurial spirit.

An excellent knowledge of French law is a plus.

You are a:

- **native French-speaker and fluent in English** (knowledge of other languages is an asset); and
- self-starter, highly motivated and reliable, resourceful, and able to work flexibly and independently.

### Tasks and responsibilities

As a Legal Expert, you will:

- contribute to research for a tool used to monitor regulatory change pertaining to sustainable finance and corporate responsibility;
- advise clients on topics related to corporate responsibility and sustainable finance, engage with prospects;
- analyze ESG risk issues, and contribute to reports on responsible business conduct;
- support the team in business development and enhancing our product offerings; and
- contribute to the team's projects and deliverables.
