Swiss Sustainable Finance

Invitation to Exclusive SSF Member Roundtable

«Sustainability in the Insurance Business – from Risk Integration to Product Innovation»

Date and time: Thursday, 25 September, 12:00 – 14:00h, including lunch
Location: Center of Zürich, exact location tbd

We are pleased to invite you to an exclusive SSF Member Roundtable for insurance representatives on "Sustainability in the Insurance Business – from Risk Integration to Product Innovation." Join fellow sustainability specialists from the insurance sector to explore ways to systematically embed sustainability factors into the insurance business with the aim to support the transition to a sustainable and climate-aligned economy.

Based on an input presentation, we will discuss with participants about key considerations to successfully integrate sustainability factors in the following areas:

- Overall sustainability strategy (including governance, incentives, reporting)
- Underwriting (Property & Casualty, Life & Health)
- Product innovation

The findings of the roundtable will help SSF shape any further activities around sustainable insurance. We look forward to a fruitful dialogue with you.

Programme:

11.45 – 12.00	Registration	
12:00 – 12:05	Welcome note	Sabine Döbeli, CEO, SSF
12:05 – 12:15	**Introduction round**	Participants inputs on challenges and expectations
