Programme: Launch of Swiss Sustainable Lending Market Study 2025

Date: Monday, 17 November 2025, 16:00-17:30 (followed by an apéro)
Location: Zentrum zum Glockenhof, Sihlstr. 33, Zürich

The Swiss Sustainable Lending Market Study2 2025 will provide detailed insights on the integration of ESG factors in the lending market by illustrating current market practice and progress achieved over the past two years. At the event, the main author of the report will present the findings and various practitioners will share insights into their strategies and sustainable lending approaches.
